Code Of Conduct

Code of Conduct- Definition

- Code of conduct defines moral and ethical expectations from employees of the company, they are derived from the core values that Company strongly believes in
- It also defines how employee should conduct themselves on daily basis within the organization and while interacting with any third party on behalf of the company
- At TatvaSoft we believe strong ethics and integrity towards work is very important and a key to long term success
- All employees must be through with the code of conduct and abide to the same
- **Any violation in code of conduct can lead to disciplinary action.**

Non-Engagement in Conflicting Employment

- During the term of your employment with the Company, **you will not engage in any other occupation, consulting or other business activity** directly or indirectly related to the business in which the Company is now involved or becomes involved during the term of your employment, nor will you engage in any other activities that conflict with your obligations to the Company.
- You shall, also, not engage in any other gainful or commercial employment, business or activity part-time or full-time, directly or indirectly, or simultaneously as long as you are employed with the company or engage yourself directly or indirectly in any other profitable business or vocation.

Competitive Information

- During the term of your association with the Company **and for a period of thirty six (36) months** thereafter, you shall not directly or indirectly solicit or share the company's information with any of the competitors for your benefit or for the benefit of any other person or entity.
- Collecting information on our competitors from legitimate sources to evaluate the relative merits of their products, services, and marketing methods is proper and often necessary. However, there are limits to the ways information should be acquired.
- You shall not indulge in industrial espionage or stealing for the same, nor shall you seek confidential information from a new employee who recently worked for a competitor or misrepresent your identity for getting confidential information from a competitor.

Use of Company Brand and Position

- During the term of your employment, you are required to use the company name and position only for official purpose. There should be no falsification or caricature on behalf of the company

Use of Data/ Internet/ E-mails

- During your employment with the Company, you shall have access to a wide variety of data and documents, some of which may have been created by you alone or as a part of a team.
- The Company shall always retain **absolute ownership** of all such content, documents and/or data and you shall not copy, transmit, remove or alter such data except in pursuance of your official duties.
- The computer system should not be used for any unauthorized use.
- The E-mail address given to you by the company authorizes you to communicate with various entities and users within and outside the Company. Understand that the Company is well within its right to ensure in whichever way it deems fit that the E-mail is used only for business purposes.

Non- Discrimination and Zero Tolerance for Harassment

- The Company is an **equal opportunity employer** and follows **a very strict nondiscrimination policy**.
- The company shall not tolerate any instance of discrimination based on caste, creed, religion or sex in the matters pertaining to employment, promotions, assignments and transfers.
- Harassment of any sort (Verbal/physical/Sexual) is unlawful and is prohibited whether it occurs in the workplace, at customer or vendor sites, or at other employment-related events or activities. We have Zero tolerance policy in this regard
- If any person is found guilty of such discrimination or harassment, his/her services are liable to be **terminated with immediate effect**.

Non-Disclosure and Confidentiality

- The protection of confidential business information and trade secrets is vital to the interests and success of the Company
- Confidential information includes- Compensation data, Financial information, Customer lists, Costing information, Marketing strategies, Pending projects and proposals, Personnel/Payroll records and Conversations between any persons associated with the Company.
- Employees must **maintain the confidentiality of confidential information** entrusted to them by the Company, except when disclosure is authorized by the company.

Non-Disclosure and Confidentiality (Contd.)

- Employees of the Company should guard against unintentional disclosure of confidential information and take special care not to store confidential information where unauthorized personnel can see it, whether at work, at home, in public places or elsewhere.
- All Employees may be required to sign a non-disclosure agreement as a condition of employment, if the Company sees this, as necessary.
- **Any Employee who improperly uses or discloses trade secrets or confidential business information will be subjected to disciplinary action, including termination of employment and legal action, even if he/she does not actually benefit from the disclosed information.**

Avoid Gifts and Donation

- During the term of your employment with the company, **you shall neither receive nor offer** or make, directly or indirectly, any unauthorized and/or illegal payments, remuneration, gifts, donations or comparable benefits that are intended to, or perceived to obtain business or uncompetitive favours for the conduct of its business or in the nature of inducements.
- However, you may accept and offer nominal gifts, which are customarily given and are of commemorative nature for special events/ occasions/ festivals
- If you have any question or uncertainty about whether any gifts or proposed gifts are appropriate, please contact your supervisor, manager or HR.

Safe and Healthy Work Environment

- TatvaSoft strives to maintain a positive work environment. Every employee must treat each other with respect and courtesy and conduct a professional behavior.
- You shall not indulge in the use of drugs, violence, and alcohol within the office premises. Whole premises is a no Smoking zone. Use of Pan Masala and chewing gum is also prohibited.
- Use of personal mobiles should be very limited during work hours, as it hampers productivity
- One shall honestly punch in and out in office and adhere to the working hours of the company

No Indulgence in Political Activity

- You shall not resort to indulgence in any activity, during the time that you are on the company premises or placed on off-shore assignments, that has any political, racial, communal and/or casteist overtones.
- The use of Company assets, premises and time is strictly prohibited for the propagation of any sort of political agenda

Securing & Returning Company Documents

- During the term of your employment, you shall deal with the Company's money, material and documents with utmost honesty and professional ethics. If found guilty, at any point of time of moral turpitude or dishonesty in dealing with the Company's money or material or documents or of theft or of misappropriation regardless of the value involved, your services would be terminated with immediate effect notwithstanding other terms and conditions mentioned during your appointment.
- At the time of leaving the employment of the Company, you shall deliver to the Company (and shall not keep in your possession, recreate or deliver to anyone else) any and all devices, records, data, notes, reports, proposals, lists, correspondence, specifications, drawings, blueprints, sketches, materials, software, databases, equipment, other documents or property, or reproductions of any aforementioned items developed by you pursuant to your employment with the Company or otherwise belonging to the Company, its successors or assigns

Conclusion

- **Breach of code or policy**- The Management shall decide and appropriate disciplinary action to be imposed unto the Employee. Disciplinary actions may range from verbal reprimand to immediate dismissal depending on the severity of the breach committed.
- **Reporting unethical Behavior** - You are encouraged to promptly report any practices or actions that you believe to be inappropriate and breaches any code of conduct or policy.
- No code can thoroughly define all possible situations; Therefore, a code is no substitute to **good judgment and common sense**. If you are unsure of what to do in any situation, seek guidance before you act
